PRESIDENT'S OUTSTANDING MINORITY SCHOLARSHIP

Entering freshmen who are recipients of the Morton S. Katz or the President's Outstanding Minority Scholarship are the inherent participants in the mentorship program. Scholars are paired one-on-one with a faculty mentor based on similarities between the mentor's data profile and the scholar's intended academic major, career or personal interests, or personal preferences. The ultimate goal is for the relationship to foster maximum achievement of personal, academic, and professional potential for the scholar.

The Regents' Seal was adopted by the Board of Regents in 1939 as the corporate seal of the University of Minnesota. The Latin motto means "a common bond for all the arts." The lamp represents the metaphysical sciences; the telescope, the physical sciences; the plow, the industrial arts; and the palette and brushes, the fine arts.
